PRESIDENT'S MESSAGE

The Franklin Repository, December 15, 1861.

[Article text begins here, discussing various topics such as military actions, economic measures, and political decisions of the time.]

[Continued text discussing the interactions between the federal government and different states, the status of the Union, and various initiatives taken to sustain the war effort.]

[Further content follows, which includes correspondence and updates related to the ongoing conflicts and internal matters.]

[The text concludes with a summary of actions taken, statements on future plans, and a closing salutation to the readers.]
The text on the page appears to be a newspaper or periodical article. Due to the nature of the content, it is not possible to accurately transcribe the text without a detailed understanding of the specific context and formatting of the document. The page contains various sections, including advertisements and news articles, but without further information, it is challenging to provide a plain text representation.
