WASHINGTON, Apr. 13, 1864.

The dispatches from the Secretary of the Treasury, received in Washington, yesterday, state that Secretary Collis has just sent to the Treasury Department a report of the existing condition of the National finances, which shows that the United States are in a condition of financial distress, and that the Government is unable to meet its obligations.

The report states that the Treasury Department has been unable to meet its obligations for some time, and that the Government is unable to pay its debts.

The report further states that the Treasury Department has been unable to meet its obligations for some time, and that the Government is unable to pay its debts.

The report further states that the Treasury Department has been unable to meet its obligations for some time, and that the Government is unable to pay its debts.

WHILE THE TWO SIDES ARE OFFERED
Several editorials have been published in which the
Democratic press has attempted to offer a
reasonable comparison of the records of
the two sides. We do not share the apprehen-
sion that the war is taking place within the
presses of the North and South. We do not
believe that there is a real conflict of views
between the press of the two sections, but we
believe that the press of the North is not doing
its best work, and the press of the South is
not doing its worst work. We believe that the
press of the North is not trying to keep the
people of the North informed of the truth
about the war, and the press of the South is
not trying to keep the people of the South
informed of the truth about the war.

THE BETRAYAL OF THE SOUTH
The South has betrayed its trust. It has
betrayed the trust of the people of the
South. It has betrayed the trust of the
people of the North. It has betrayed the
trust of the President. It has betrayed the
trust of the United States. It has betrayed
the trust of the world. It has betrayed the
trust of every man and woman who has
lived in the South and who has fought for
the South.

THE BETRAYAL OF THE NORTH
The North has betrayed its trust. It has
betrayed the trust of the people of the
North. It has betrayed the trust of the
people of the South. It has betrayed the
trust of the President. It has betrayed the
trust of the United States. It has betrayed
the trust of the world. It has betrayed the
trust of every man and woman who has
lived in the North and who has fought for
the North.

THE BETRAYAL OF AMERICA
America has betrayed its trust. It has
betrayed the trust of the people of the
North. It has betrayed the trust of the
people of the South. It has betrayed the
trust of the President. It has betrayed the
trust of the United States. It has betrayed
the trust of the world. It has betrayed the
trust of every man and woman who has
lived in America and who has fought for
America.

THE BETRAYAL OF THE WORLD
The world has betrayed its trust. It has
betrayed the trust of the people of the
North. It has betrayed the trust of the
people of the South. It has betrayed the
trust of the President. It has betrayed the
trust of the United States. It has betrayed
the trust of the world. It has betrayed the
trust of every man and woman who has
lived in the world and who has fought for
the world.

THE BETRAYAL OF THE HUMANITY
Humanity has betrayed its trust. It has
betrayed the trust of the people of the
North. It has betrayed the trust of the
people of the South. It has betrayed the
trust of the President. It has betrayed the
trust of the United States. It has betrayed
the trust of the world. It has betrayed the
trust of every man and woman who has
lived in humanity and who has fought for
humanity.

THE BETRAYAL OF GOD
God has betrayed its trust. It has
betrayed the trust of the people of the
North. It has betrayed the trust of the
people of the South. It has betrayed the
trust of the President. It has betrayed the
trust of the United States. It has betrayed
the trust of the world. It has betrayed the
trust of every man and woman who has
lived in God and who has fought for God.
