THE FRANKLIN REPUBLIC.

Invasion of Maryland.

The Rebels 20,000 Strong!

THE REBELLION AT DEBREGA!

PARTICIPATION OF THE BATTLE:

The Larms are on the Hill!

REBELS MOVING TOWARD WASHINGTON!

Ample Preparations for Defense!

Maryland Occupied by Rebels!

REBEL FORCE ALL EAST OF THE MOUNTAINS!

The Cumberland Valley Now Seized.

Map Showing all the Points touched by the Rebels in their March South, and in their Movement on Baltimore and Washington.

The following map shows all the points touched by the Rebels in their march south and in their movement on Baltimore and Washington. The map includes the states of Maryland and Virginia, with the major cities and battlefields marked. The map is a detailed representation of the strategic positions and movements of the Confederate forces during the Civil War.
July 18, 1864.

The President of the United States appears before the public to announce the conclusion of a war that has lasted two years. The war has been fought for the preservation of the Union, and the freedom of the slaves. The war has been fought with determination, and the Union has been preserved. The President of the United States appears before the public to announce the conclusion of a war that has lasted two years. The war has been fought for the preservation of the Union, and the freedom of the slaves. The war has been fought with determination, and the Union has been preserved. The President of the United States appears before the public to announce the conclusion of a war that has lasted two years. The war has been fought for the preservation of the Union, and the freedom of the slaves. The war has been fought with determination, and the Union has been preserved.
