

Since the latest news of our last... we have not met our former success...

Every conflict within our limits... has been met with a more heroic...
The only number of our... force about 300, we lost two... wounded and captured.

In an editorial in the last Spectator... the above caption, occurs the...
If the farmers shall have a guarantee... the fruits of their hard labor...

From the tone of the article we presume... the Editor unintentionally...
The Yorks Congress has passed... the conscription act which calls out...

There is a man of courage and... a splendid opportunity...
We were much pleased with the... highly entertaining concert given...

The condition of the people of this Valley is such... create the commission...
