WAR NEWS

The latest news from the war front is that the Union forces under General Grant have continued their advance towards Vicksburg. The Confederate forces under General Pemberton are holding out against the Union assault. The Union forces have taken several key positions, putting pressure on the Confederate positions.

The weather has been favorable for the Union forces, with no significant rain to interrupt their advance. The Confederates are reported to be in poor supply, with food and ammunition becoming scarce.

We will keep you updated on the latest developments in this critical battle.
