VALLLEY SPIRIT.

**The Tainted Check.**

My neighbor, the doctor, the mariner, the scorer from the way, and the printer, par excellence, the Doctor of Medicine, has been the principal benefactor of all. He is a friend of mine, but I do not know whether I am a friend of his. Nevertheless, he has had a marked influence upon me, as indicated by the following sentence: "The doctor is a man of culture." This is true. The doctor is a man of culture.
