VALLEY SPIRIT—FEBRUARY 20, ’61

We have received no less than five communications this week on the subject of the Tariff Bill. We are glad to find that our people have at last awaked from sleep and are disposed to thoroughly discuss the subject. We cannot close our eyes to the fact that the bill now before the legislature is a very bad one, and that it is fraught with consequences to the State that are ruinous. It is a question that we can not pass over unnoted. We find a letter from a gentleman who is a resident of the State of Virginia, which says:

"We are told that the bill now before the legislature is a very bad one, and that it is fraught with consequences to the State that are ruinous. It is a question that we can not pass over unnoted."
