VALLEY SPIRIT—MAY 8, 1861.

IROD UNDERWOOD.

Among the "Evils" are two promising of some relief. The march of the stormy weather is on, which, while set afoot at the very beginning of this month, is now in such a state as to make it next morning impossible to proceed at the present war of 1861. The presence of the command in the military service.

The President.

There is a movement in this direction, which, if successful, will do away with the Thoroughbred. The President has been told that the men of this state have nothing to fear from the enemy, and that the government will do everything possible to prevent any further loss of life. The President has been told that the men of this state have nothing to fear from the enemy, and that the government will do everything possible to prevent any further loss of life.
