Semi-Weekly Valley Spirit.

Chalmersburg, July 10, 1862.

British Service.
Dior Service will be held in St. John's German Reformed Church (Rt. 3, 1/2 mile south of the main road) at 8 o'clock this morning.

Army Reserves.
Our news from Gen. Patterson's force, at Martinsburg, reports the formation of an army reserve of 5,000 men. This is an advance movement, that is all we know of the movements of the war. On the other hand, it is rumored that the government is sending troops to the border to meet any advance. As there is no news from the field, we shall continue to report as we have been doing.

Local News.
A meeting of the Board of Education was held in the schoolhouse on Wednesday. The principal business of the meeting was the appointment of a committee to prepare a plan for the organization of the schools in the district. The committee appointed was as follows:

Mr. Johnson, Mr. Smith, and Mr. Brown.

The committee was instructed to report their plan at the next meeting of the Board of Education.

The school term will open on the first of September. The pupils are requested to be present on the first day of school to receive their books and to be ready for instruction.
